**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Since when did stifling competition serve an industry well overall?

Think of it like genetic diversity: do we want to create a mutated three headed snake or feed and nurture a healthy competitive landscape that encourages diversity, opportunity and growth for all?

Let's think big picture here...what's best for *everyone* not just a few...
